**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

We are in a area with very limited number of service providers. Its very important that we have broadband competition. In our daily life, the internet is very important to us and be able to afford fiber or high speed is important as well.without competition ATT is charge a very high price for phone and internet.

Thanks.
